How Sweet! Make It Take it @ Your Library! Candy Making! We have something sweet in store for library visitors during the week of December 9 - 14. Candy Making! Visit the library between **1-4 Monday - Thursday and 10 - 4 on Saturday**. Melting chocolate, flavoring, and food coloring and a huge variety of candy molds will be available for you to make candy samples. Join us at **2 pm on Tuesday, December 10th** when Becky Kolbeck will give a demonstration on making holiday mints.

KIC System: Knowledge Information Center. Printing personal and family books has never been easier. The ability to scan papers, artwork, photos, and other materials and then to compile them into a book and print that book is a very exciting prospect for patrons of Drummond's library. Patrons can bring their scrapbooks, personal and family archives, photos, art, poetry, and other materials to the KIC, then order books from a Print On Demand company using KIC. Your book(s) will be printed, bound, boxed and shipped to you in days. Students! Try the KSS (KIC Study System) Install MyDocs with KSS FREE on your tablet or phone. Digitize your study materials & use KSS to study smarter. Create Flash Cards and study guides Try the read along with audio, and double your study speed. Clubs! Make a cookbook for a fundraiser!

Watch for classes or stop in for a demo!

Story Hour: Wednesdays at 11:00

Sign up for REMIND or check our FaceBook page to see what story and craft Megan has planned for the children. Snacks are provided by Fics and Huffman's.

Like to do PUZZLES? A table designated for jigsaw puzzles has been set up in the library. Stop by to add pieces to the 1000 piece puzzle "According to Hoyle". The edges are complete - now we need help to fill it in!
