

Library News

Open: M,T & W 1-5pm; Th 1-7pm ; Sat. 10 - 4pm <http://drummondlibrary.org>

November 2020

Night @ the Library: While our programs are on hold, you may enjoy visiting free online programming from Humanities Montana or Montana Memory Project.

<https://mtmemory.org/digital/custom/home/#/site-content/engagement>

Please contact the library with suggestions for program topics and guest speakers when we are able to host programs again.

Hidden Gems: Programming for Hidden Gems featuring unique library services is also on temporary hold, however, individuals, families, and small groups may stop by the library for demonstrations during open hours to learn more about KIC (Knowledge Information Center), Cricut, or any number of online databases.

Story Hour: Wednesdays at 11:00 at the library!

Megan is providing stories, snacks, and super fun activities at the library every Wednesday at 11 am! Contact the library to receive text reminders through REMIND. If you would prefer to participate virtually via [Drummond Library Story Hour & Summer Reading Program](#), please let Megan know your child is interested and she will get a packet ready for your preschooler or Kindergartener.

After School Activities take place each weekday from 3:35 - 5:00

The library is a safe and fun place for children to be after school. Students who have completed their homework may do TinkerTime activities such as Legos, Board Games, Robotics, Snap Circuits, and various crafts.

November is National Games Month. Visit the library every Saturday in November to play board games such as Qwirkle, Skippity, Headbanz or Pictureka! The library is open every Saturday from 10 - 4pm.

AWE computer: Any child can have an account on this computer! Purchased with funds from Blackfoot. A computer preloaded with learning games for Preschool - 3rd Graders to enjoy and learn.
