

Library News: October 2013

Night @ the Library

Monday, September 30, 2013 *

Health Insurance Marketplace

If you are uninsured, or underinsured, you may qualify for the Health Insurance Marketplace. This is a new and affordable way to get coverage that meets your personal and financial needs. To assist you, Granite County Medical Center will host guest speaker, Karen Murphy from the Montana Health Co-Op to address these topics:

What is the Health Insurance Marketplace?

How can the new laws reduce the cost of premiums for households that qualify?

How the Affordable Care Act affects Montanans in terms that are understandable to all of us.

*Note: The upcoming Night @ the Library will be on Monday, September 30th rather than the first Tuesday.

Story Hour: Wednesdays @ 11

Montana Library Week

September 29-October 5

Montana Libraries will capture daily activity, comments and photographs to exemplify the invaluable services and benefits of libraries in communities across Montana. What do you love about your library? Visit the library and share your comments.

What's going on after school?

Chess Club: Tuesdays at 3:30 beginning on October 1.

Do you know how to play chess? Would you be willing to teach kids your strategy? Kids K-12 who like to play chess can find partners every Tuesday afternoon at the library. Adults with an interest in helping youngsters learn the game of chess are encouraged to attend. Chess sets were purchased through a 21st Century Grant for enrichment activities.

Lego Club: Wednesdays at 3:30 beginning on October 2

Kids who like to build with LEGOs can come to the library on Wednesday afternoons to build together. Adult supervision is recommended. The Friends of the Library have offered to help with the purchase of base pieces but it is our hope that anyone with old LEGO kits and pieces will donate them to the library's LEGO CLUB!

Board Games: Mondays at 3:30 Beginning October 7

Kids who enjoy old fashioned board games will love coming to the library on Mondays after school. Monopoly, Apples To Apples, Pictureka!, and card games too. They certainly won't be "bored"! Adult participation is encouraged.

The "Hunting Companion" is a streamlined access point for the basic information every hunter needs for a successful hunt. The site was launched in response to librarians reporting an increased need from their patrons for assistance in finding relevant hunting information online. The Montana State Library and Montana Fish, Wildlife & Parks have partnered to provide easy-to-access information to help hunters have a safe and successful hunting season. The "Hunting Companion" can be found at <http://msl.mt.gov/hunting>. It is also available on the Library's homepage at <http://drummondlibrary.org>.

Homework MT: Whether you need help with math homework, need to prepare for a college entrance exam or the GED, or write an effective resume or term paper, HomeworkMT can help! Great for students and parents! HomeworkMT offers free online tutoring, academic resources, writing assistance and preparatory testing materials from Tutor.com for all Montana residents. Get help in math, science, social studies or English from a live tutor as part of this statewide service. The service can be accessed from a Montana public, school, academic or special library or from your home computer. Visit the library's homepage at <http://drummondlibrary.org>.

Movie Pix: Saturday, October 26 at 2pm: The Wizard of Oz

Drummond Historical Society and Old School House Display; a collection of books, scrapbooks, and old photographs from the Old School House are on display at the library on loan from the Drummond Historical Society.
