Friends of the Library Book Bags

Looking for a gift to reflect a love of books or need a practical shopping bag? Friends of the Library are selling sturdy royal blue book bags embossed with our library's logo. These bags are available now at the library for a reasonable price. Proceeds will be used to support the Montana Memory project.

Food for Fines

Volunteers for the Food Bank delivered more than 80 pounds of donations from the library's Food for Fines drive. The library accepted donations of non-perishable food throughout the month of November for the Food Bank, and Town Pump generously matched our donations. This gave patrons a chance to eliminate their library fines while building up our food bank and donating to a good cause. While the option to waive fines in lieu of donations ended in November, the drop box is still available in the library and donations to the Food Bank are always appreciated.

Montana Library2Go

The library has over 5,000 electronic books available to our patrons! Like Heritage Quest, patrons need only use their library card number to have access to downloadable materials for nearly any electronic device. (iPads, Kindles, Nooks, Sony e-readers and even your computer!) Call the library for tips or stop in for a copy of the "cheat sheet" for downloading the latest titles from the library or your home computer. <http://drummondlibrary.org>

Substitute Librarian and Volunteers Wanted

Please contact the library if you are interested in being a substitute in the library. Similar to those who substitute in the school, you would be requested to supervise and maintain the library on the occasions when the librarian or librarian's assistant are not available.

Phones 4 Charity

The library also has a box to drop off old cell phones.

We are also seeking people who are interested in volunteering at the library to process and shelve books, set up displays, or scan material for the archives. Are you looking for something to do while you wait for your children to be dismissed from school? Are you looking for a change of scenery during your daily routine? Would you be interested in volunteering at the library one or two hours a week? Please contact the library to substitute or volunteer.

Friends of the Library News

Friends donated books for Christmas shopping by elementary children in the old school. We also provide refreshments for Night at the Library.

Friends made a donation to support Montana Library Legislative Day January 16 and are making an annual contribution to the state library to purchase eBooks.

The book sale continues out of the storage shed each Monday. (Thank you, Shelley Johnson!) There is always a huge variety of books for sale sold by the sack. This is an important fund raiser for us and we are thankful for the donated books that make this possible.

Appreciation Tea: April 16 from

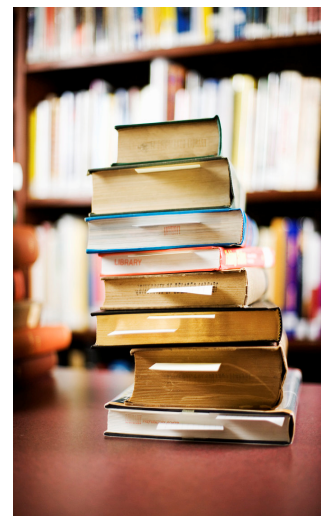

2-4pm. We invite all volunteers, teachers, board members, donors and friends to enjoy refreshments in the library and show our gratitude to everyone who helps make the Drummond School & Community Library so wonderful. We welcome new members as we make plans for our Spring projects. Please come!

April is National School Library Month!

Students at Drummond School and Hall school have weekly and monthly opportunities to browse the collection and to learn about the various services and databases for learning and leisure reading.

MARCH MADNESS CONTINUES with BATTLE of the BOOKS
Students in grades 7-12 are battling it out with their brackets. Students have filled out "tournament brackets" by voting online for their

favorite titles. Even if their bracket gets busted, they may still vote each week by visiting the school's homepage: Student Life button. Winners will receive F'Reals and gift cards at Barnes & Noble Bookstore.

Message from the Director, Jodi Oberweiser

Whether you are a longtime resident or new to town, you'll find many useful services at the Drummond School & Community Library! I enjoy seeing familiar faces and meeting new people. who come into the library to browse for a new book to read, skim the weekly Philipsburg Mail or the daily Missoulian, print forms for taxes, search their ancestors on Heritage Quest or study for classes using HomeworkMT. I hope you will attend a program or a movie or even schedule a meeting. Often, you'll see wonderful displays of student artwork. Be sure to bring your preschool and kindergarteners to the library too. Diane Andrews, who coordinates the Story Hour each Wednesday at 11am has such fun!

I would like to take a moment to thank Teri Angelo for her bookkeeping, Donn Livoni for transporting crates of books for our Partners every week; Shelley Johnson for cataloging new books and volunteering to keep the library open on Monday evenings. Frankie Fickler and Mickey Palmer for processing books, Nichol Goodman for shelving books, Colette Fadness for taking a selection of books to Senior Citizens, Diane Johnson for helping with Movie Pix, Krissi Fellon for working Thursdays and Saturdays, and all of the visitors and patrons who make our library so fantastic!
