Ready 2 Read Goes Wild! Trunks

The Montana State Library (MSL) and Montana Fish, Wildlife, and Parks (FWP) have formed a partnership to provide communities throughout Montana with a unique learning opportunity that unites the distinct missions of each agency together.

The Ready 2 Read Goes Wild! trunk provides childcare providers, preschools, early elementary educators, parents and caregivers an opportunity to share language, literacy, learning, and nature with some of Montana's youngest citizens, children from ages three – seven years old. Mrs. Ostler's Kindergarteners are enjoying the Water trunk. Mrs. Hauptman's classes have learned about Bears and Ungulates and Mrs. Graybeal's class had fun with Bugs.
