

LIBRARY NEWS

NOVEMBER 2014

HOURS:

Mon and Thurs. 1–7

Tues and Weds 1–5

Saturday 10 am–4 pm

21st Century Grant Enrichment in the Library

Events for November 2014

Logo Club: Every Tuesday at 3:30 in the library

November 5: Chess Club 3:30 in the library

The library has 10 chess sets to accommodate a variety of players of all ages. Former Educator from Philipsburg, and local chess expert, Richard Johnson, will be here to help beginners or challenge the whizzes.

November 12: Spindle Spinning 3:30 in the library

Kappy Strahan will be here to teach spindle spinning. Materials will be provided but you will need to bring 2 old CDs!

November 19: Board Games 3:30 at the library

Apples to Apples and Pictureka!
November is National Board Game Month

November 26– Family Stories

November is also Family Stories Month. Students will be using technology in the library to create and record a narrative story.

National Board Game Month

Drummond Library

Saturdays @ 1 PM

November 1, 8, 15*, 22, and 29

Board games promote good character, boost learning power and provide lots of fun for young and old alike. Join parents, friends, and children in the library each Saturday at 1 pm throughout the month of November. *International Games Day!

We'll have plenty of games available—or bring your family's favorite board game to teach others how to play.

Night @ the Library

Tuesday November 4, 2014 – 7 pm

Dr. Meng's Medical Mission

Dr. Meng of Missoula went on a medical mission to Ecuador. He will talk about the people and the country. He also visited the Galapagos and has many pictures to share of that island.

FOOD FOR FINES for the month of

November IS BACK:

Eliminate library fines and contribute to a good cause at the same time. Yes, it's the time of year you've been waiting for! Come with canned or non-perishable items for the local food bank and the Drummond School & Community Library will wipe out any outstanding fines.

During "Food for Fines," you will receive a 50-cent credit per canned or non-perishable food item toward you fines. This year, remember that "Food for Fines" does not apply to lost items or collections. "This is a great opportunity for patrons and students to get rid of their fine and donate to a good cause" Library Director, Jodi Oberweiser

The Granite County Food Bank will benefit from your "fines" as they have done in the past. They are always willing to accept any donations that a person may have, however, they are usually low on certain items during the holidays: Including baking goods (flour, baking powder, sugar, brown sugar, oil, etc.) and other holiday items to make the holiday meal that much more.

If a person has any donations that do not fit in the donation box at the library, the Granite County Food Bank can be contacted at (406)859-1810. They are also accepting cash donations in conjunction with the Town Pump match program.

MakerSpace Mondays 4 PM

November is National Family Stories Month. Visit the library to collect and share family memories and use the databases to conduct your search into census records and family history. Sandi Butler will be available to share her tips on getting the best results.

November 3—Heritage Quest

November 10—Family Search

November 17—Find a Grave

November 24— Family Stories—putting it all together.

MAKERSPACE is the new term in libraries! People, who have been gathering information from libraries for years, now have the ability to "make stuff" too. Many libraries have classes and workshops along with materials to construct, create and "make" projects.

The library in Drummond has a focus on Health during October.

In November, we will focus on heritage with classes in preserving old photos, scanning documents, archiving a historical collection, and using the library's genealogy website: Heritage Quest.

November is also National Board Game Month; the library will feature board games every Saturday! Join others to play board games available in the library, or bring your favorite game and teach others in the group how to play! Start a Gaming Club at the library!

HomeworkMT

10 Things Parents Should Know About

HomeworkMT

1. Students see results
 2. Personalized learning
 3. No appointments needed
 4. Safe learning environment
 5. Tutors you can trust
 6. Support for 20+ Subjects
 7. Advanced classes too
 8. Homework and beyond (essay writing, test prep, book reports, college and scholarship application essay)
 9. Monitor student progress
 10. Parents can use it too
- IT'S FREE!!!

Available on all smartphones and tablets!
